July 18, 1905, at the Postoffice at Elba, Alabama, under Act of Congress of March 3, 1876.

Six Months ...

CASH IN ADVANCE "SAGER" WRITES AGAIN

Dear Editor:

poor people who could help them-selves more than they do if they would try. They are a great deal

I do not wish to say anything that would offend, but I know men right now who have spent enough money for whiskey and rioto living to buy all the clothes ar books their children needed. No they are begging for help, people are so sorry for them. As I have said, I am sorry for the poor and needy, but I am not sorry for this kind. They don' deserve pity. Now if a man has sickness or trouble that could not have been prevented, my sympathy goes out to him, and he deserves help, and God will bles him, but charity begins at home. Now I do not wish to be mis understood, but right is right. Bible teaches us to live, I do no believe we will have to beg. See

1940 Chevrolets Make Their Bow

Three series of passenger cars, re-designed in the new "Royal Clipper" styling, and embodying numerous mechanical improvements to assure greater safety and comfort as well as finer performance, comprise Chevrolet's new line for 1940, introduced today. All series are much larger, overall length being increased 4% inches. The new exclusive vacuum power shift (lower left) is now regular equipment on all models of all series at no extra cost. Special De Luxe series, the Sport Sedan of which is shown at center, has a new T-spoke steering wheel with horn-blowing ring (upper right). Lower right, the 1940 Chevrolet six-cylinder valve-in-head engine, which has been improved for smoother, quieter operation, and extremely long life.

MARKETING OF GREEN
PECANS HURTS MARKET

AUBURN, Ala.—The marketing of green pecans, which is always a temptation as harvest season begins, is a losing practice for those who place green nuts on the market and for the pecan industry generally, reports Lyle Brown, extension horticulturist. As a usual thing, prices received for these uncured nuts are enough lower that any advantage gained in extra weight is lost in the net value of the product.

The Pecan Stabilization Association which was in effect last year

BRONCHIAL

The permit drying before offering for sale may prove a double advantage. Holding them ten days or in other well ventilated containers in a dry place where they will not be too bulky will materially increase their quality.
